Pace Sleeve for 16” Laptop

Bags that Work at Your Pace

Part # F8N504cw

Bags that Work at Your Pace

Protection You Can Handle
Fashionably professional on the outside, padded protection on the inside. Make a statement with the Pace Sleeve at your next meeting.

Slim Design and Textured Grip
A water-resistant waxed canvas exterior protects your laptop from the elements, while the grooved, textured grip fits securely in your hand. The soft, extra-padded interior is scratch-resistant and provides impact protection. Compact design allows for placement inside a larger carrying bag or suitcase.

Limited Lifetime Warranty.

Features

- Water-resistant waxed canvas
- Grooved texture for grip
